ShowHouse 2: The Adventure Continues

KENNY SCHARF (left) has painted the top-floor atelier (up to and including the ceiling), but that's only part of the excitement at *Met Home's* ShowHouse 2 (March 7 to 31, 115 E. 79th St., NYC; \$15). America's premier fashion designer Geoffrey Beene and *Dick Tracy's* Oscar-winning production designer Richard Sylbert (who is creating a room for Madonna) have joined Tom Wolfe, Robert A.M. Stern, Alice Waters, Jed Johnson and Alan Wanzenberg, Adam Tihany, Julee Rosso and Sheila Lukins on the list of bighearted designers helping raise \$1 million for the Design Industries Foundation For AIDS. To contribute, call Kim Yorio at 212/551-7064.
