

# Rat Fink's Revenge™

THE CUSTOM MONSTER COLLECTION

A Tribute to Ed "Big Daddy" Roth

Compiled by David Chodosh with Ken Morgan and Michael Polis • Foreword by Ed "Newt" Newton

# KENNY SCHARF

## Untitled

*Growing up in the San Fernando Valley in the '60s, Rat Fink and Big Daddy Roth were very much a part of my landscape of visual images that both impacted and inspired me. Rat Fink represents all that I love about outrageous ideas and over the top unbridled enthusiastic extremism. More More More! Rat Fink is not half ass, he's taking it all the way! Hey!*
